

Termite Category Training

This 8-hour course is designed to satisfy the Apprentice Training Requirements as specified in **Rule 7.132 (i) (2)** "8 hours of classroom training in each category in which the Apprentice is to provide pest control services". This course will cover common termites in Texas, along with other wood-destroying insects. In addition, the course can be used to prepare for the Structural Pest Control Termite category examination.

The \$150 course includes the required category training manual (**AES-5075**), a \$25 value, and online instruction. The manual will be mailed separately.
